A short time ago, I spoke with Roko Shinge Chayat, and she asked me to post here that she was shocked to hear that her private e-mail exchange with Jeff Shore, which she regarded as privileged information, was published without her permission. She also said that she hadn't known that it had been published before I told her, for she doesn't read publications that would concern themselves with and publish something like this. Also, she doesn't intend to respond in any way.

Hands palm-to-palm,

Nonin
