Dear Dharma Friend,

Thank you for participating in our O-Higan Zazen-Kai this Saturday, Sept 27th, 2014. It was a very special teisho when Eido Roshi spoke about O-Higan as “Reaching the Other Shore”. As a memento of this day, here is the photo of our group standing on the Shore with Roshi. Although many of our Sangha friends could not be there for this photo, just remember that were standing there with everyone. There is no separation between us all when we do Zazen.

Roshi thanks you for your warm kindness in sharing a birthday cake with him for his birthday celebration in advance (Eido Roshi’s bday is Oct 1). Your signed Birthday card which also included a Kinokuniya Book Store Credit Card was deeply appreciated.

Our next Zazen-kai is being worked out for October. As I had mention to you before, we may be doing our next zazen-kai in another facility in the same neighborhood sometime after Oct 15th. Please stand by as we prepare more details for our next announcement very soon. Meanwhile be well and stay in touch. We look forward to seeing you again very soon. Thank you.

Gassho,

Zensho
