

Dear Mr & Mrs Aitken,

We are glad to hear Bob is back to work at the Center. I know they need the kind of person as you. Alum~~ae~~. members will be very happy to be able to have personal contact with the Center through you.

Now for the Senko business, it was very fortunate that we were able to find Tenshindo and they say they still produce Baigeten Kō. Since the Tenshindo makes the Senko, they do not sell them in a box. They sell to stores only and they sell by ~~a~~ ^{packages} one hundred unit. I am now ~~is~~ inquiring ~~them~~ ^{empty} if they could introduce a store where we can get boxes so that I can send you ~~a~~ Senko by getting them from Tenshindo and send you boxes separately by getting from ~~some~~ somewhere else. In that case one box may contain 4 or 5 packages of Senko. It means we may order 200 packages to Tenshindo's ~~so~~. One hundred package costs about 2,000 yen and send very ~~is~~ inexpensive. We have to count the mailing cost, though since they do not take care of sending, they say they will send them up to Tokyo, then I will take care the rest. I hope this will work out. Please wait some more till I hear from them. I have one question. When you say 50 boxes, does it mean that you order that amount and that's all, or you are going to order periodically from now on? I will just order the amount you mentioned first. If you would like to order another 50 in the future, please let me know.

I have sent Tsupudani for

some deposited money by dollars. We need some dollars near future since Mitsuaki is planning to go to a hospital to work for 2 years next Jan. I may join him next June. To convince his parents is the biggest obstacle to carry out our plan. I only pray for success, and I know you will for us, too. We'll do our best.
Love, Itsubo & Mitsuaki

your next Sesshin. That ~~to~~ taste always reminds me of Engakaji's Sesshin.

P.S. Shall I send Senko by boat or air? Please let me know. I rather recommend ^{by} air since it may break easily.

as for money, if you don't mind, would you let me pay by Yen and pay to the First National Bank of Hawaii, Varsity Branch where we have ~~an account~~
